

The YWCA Alaska COVID-19 Relief Program

Dear Alaskans,

June 5, 2020

The YWCA Alaska COVID19 Relief Program is suspended. The grant funds provided by the Coca-Cola Foundation has been expended. Should other funds become available, we will re-publish the application for this program.

Applicants, whether awarded or not, will receive an email notification from YWCA Alaska. This communication is currently being processed.

If you received an award, a W-9 will be required.

Those still seeking relief can apply for rent payment deferral. [AKPIRG](#) has an easy guide here:
