OCTOBER WORKSHOP CALENDAR

"We never tire of celebrating the incredible leadership of Alaska's women."
- Theresa Lyons, CEO
Greetings,

Things are all a buzz at YWCA Alaska. Our team is busy putting the finishing touches on our 31st Annual Women of Achievement and Youth Awards!

Get ready because we're taking WOA2020 online. That's right we're going to host a Virtual Week of Women of Achievement!

We never tire of celebrating the incredible leadership of Alaska's women. We know our state is stronger because of the skill, expertise, and wisdom of women. In a few days we'll unveil 10 remarkable women and 5 outstanding youth who serve our community in a manner that aligns with our mission to eliminate racism, empower women and promote peace, justice, freedom and dignity for all.

Jewel Jones, member of The Academy of Women Achievers and retired leader, will serve as the Honorary Chairwoman for this year's event.

The keynote address will be delivered by Diane Kaplan, President and CEO of the Rasmuson Foundation. We're expecting a message that will inform and inspire!

We'll see you on Facebook Live the week of November 2-6th, for a Virtual Week of Women of Achievement!

Sincerely

Theresa Lyons

Women of Achievement Awards is our signature leadership event and annual fundraiser. This event honors 10 exceptional Alaskan women who have demonstrated leadership in their professional and personal lives, in service to our community which aligns with the mission of YWCA Alaska.

We seek to encourage and inspire women of all ages to strive for their own success and create positive community impact. The 2020 awards marks 31 years of celebrating incredible Alaskan women. The women honored at the awards event will be inducted into the YWCA Alaska Academy of Women Achievers. The Academy of Women Achievers (fondly referred to as The Academy) is an incredible source of expertise in the state. These powerful and influential women provide a wealth of information, training, wisdom, guidance, and leadership that strengthens YWCA Alaska and the greater Alaskan community.

We invite you to support the mission of YWCA Alaska through a generous gift, and by attending our annual event!
The beginning of each week a motivational quote is posted on YWCA social media platforms to inspire Alaskans. We understand that life can be challenging and believe that this inspiration will bring optimism and energy to start the week. Motivational Monday posts are created to engage our community in the comments by providing a prompt each week. They can also share the post on their personal social media page to motivate their friends and family. We want our Alaskan community to not only view our social media as a resource, but also as a platform that inspires and motivates the community.
