DEAR YWCA COMMUNITY,

We hope this newsletter finds you well as we welcome the beautiful month of May. As the days grow longer and the weather gets warmer, we are reminded of the importance of connection and community. At YWCA Alaska, we are committed to creating a welcoming and inclusive space for everyone to come together, learn, and grow.

We are excited to announce that registration for our MY YW Summer Camp is now open! This is a wonderful opportunity for young people to explore their interests, build new skills, and make lasting friendships in a safe and supportive environment. Our camp is open to youth of all genders, grades 7-12, and we offer a variety of camp tracks such as STEM, Media & Arts, and Civic Engagement.

We believe that youth deserves the chance to have a fun and enriching summer experience, and we are proud to offer a program that reflects our mission. Thank you for your continued support!

Best regards,
The YWCA Team
